## March 2021

There were 215 incidents reported in your area during March.

02/03/2021 17:40 - A scam call was received by a resident from someone purporting to be PC Barker from Scotland Yard (Met Police). The scammer stated their bank card had been used to the tune of £800 to purchase a laptop. They were asked numerous question but became suspicious and put the phone down. This is the correct action, please do not engage with these criminals.

03/03/2021 23:47 – A van was stopped by Officers on patrol on Eastway. The driver failed a roadside drugs test for cannabis so was arrested. They were released pending results of the blood test. The vehicle had no insurance so the driver was also dealt with for this offence.

05/03/2021 18:08 – A resident was arrested for various offences on High Street in Eastfield. The message stated that it was the HMRC, they had committed tax fraud and the Police were coming to arrest them within the next couple of hours if they didn't press 1. Please continue to share with any elderly or vulnerable residents or relatives the fact that these calls are scams and they must put the phone straight down on them. If you don't engage with them, they cannot take anything from you.

We received 20 reports of concern for safety of individuals in Eastfield area during March. These incidents invariably relate to people in distress. We work closely with the Street Triage Mental Health Team at Cross Lane who carry Police radios with them, we also have support from Mental Health professionals who work in our control room. This is sadly becoming an increasing trend but we always ensure the people receive the best help available at the time and refer them to other agencies. If necessary, they are referred into the weekly meeting we have with other agencies from around the Borough where we can discuss courses of action to provide best support.

The average time taken to answer 101 calls in March 2021 was 252 seconds.

#### **Other News**

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is [snafiley@northyorkshire.pnn.police.uk](mailto:snafiley@northyorkshire.pnn.police.uk). Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it.

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

If you wish to look at crime statistics, along with stop-searches, news & events and other information for your area, then please visit [www.police.uk](http://www.police.uk). There is a multitude of information on this website.

# Derwent & Hertford Rural Watch – April

Thieves, poachers, burglars, scammers never stop – not even for lockdown - and the Rural Safer Neighbourhood Team and Off-road Motorbike team have been stepping up their great works within our areas. They have carried out regular patrols, responded to calls, also carried out patrols in the Wykeham forestry areas to deter off-road vehicles/cyclists/motorbikes, especially on weekends.

It is also up to us to do our own part by staying alert and keeping an eye out for anyone or anything suspicious and reporting incidents to 101 or 999; please do not share explicit information on social media as this could cause problems for any future prosecution and possibly get you into trouble for libel if what you post is found to be untrue!!

Poachers do not only take game and fish, they also destroy crops and farm property; as they are often armed, you are strongly advised not to approach any poachers but either report using the #ProjectPoacher app ([projectpoacher.com](http://projectpoacher.com)) which will talk you through how to report a crime and #What3Words ([what3words.com](http://what3words.com)) which is a great app; if you are not sure of your exact location and need to report an incident #What3Words is a great app to use!

And of-course there are the scammers/phishers/catfishers online also waiting to bait us with their wily websites, too-good-to-be-true deals or tax returns, those who are just waiting for the lost and lonely to be reeled in by either pretending to be someone they are not (catfishing) or by just taking advantage of those who are vulnerable and scamming them out of their hard-earned savings.

It is not an all-bad world out there though!

If we -

- are careful of what links we click on,
- double-check information that is supposed to be from everyday websites, they can be so deceiving – often the sites look genuine, but they could have been cloned, and
- ensure you do not give out personal information online or over the phone unless we are 100% certain that the source is trustworthy – the slightest doubt, break contact and double check.

then all these things can all go toward keeping you safe, both online and offline. **But it cannot be stressed enough – you MUST call the Police to report things, not putting things on social media. If you are unsure which number to call, ring 999 if something is happening and 101 if you are calling with information.**

If you wish to become a member of the Derwent & Hertford Rural WhatsApp Group, please contact Trish on [trishcolling@gmail.com](mailto:trishcolling@gmail.com) or 07974 913105.

Until next time.....
