May 2021

There were 173 incidents reported in your area during May.

03/05/2021 10:50 – The driver of a car at McDonalds was reported after Officers noticed two young children travelling unrestrained (no seatbelts or child seats). The car had been driven from out of town and already had signs of damage to it from an earlier incident.

04/05/2021 21:13 - A report of theft of various meats and cheeses was received from One Stop Shop on Eastway. A suspect has been identified and the matter is still under investigation.

13/05/2021 15:15 - A resident received a call from a fraudster pretending to be from the Met Police. They were told their bank account and National Insurance numbers had been cloned. For some reason, they were then asked to withdraw £50 from their bank and buy a £350 Amazon gift card which someone would collect. The victim was aware it was a scam and did not hand out any personal details.

15/05/2021 15:46 – The occupant of a vehicle on Manham Hill was spoken to by Officers. A strong smell of cannabis was emanating from the vehicle, the driver subsequently failed a road side drugs test so was arrested for this offence, possession of cannabis and driving without insurance. The driver was later bailed pending the result of the blood test for drug driving.

16/05/2021 12:47 – A bike was reported to have been stolen the previous night from the rear garden of a house on Steading Road in Eastfield. The bike is an 'Apollo Parade', with black, red and white stripes and valued at £200.

19/05/2021 23:23 – The driver of a car on Dunn Grove was issued with a fixed penalty notice for driving without insurance.

20/05/2021 11:46 - Officers were speaking to the occupant of a flat on High Street in Eastfield when they noticed a very small cannabis plant on the living room window sill. The plant was seized. The owner was dealt with by Officers whilst at the address.

20/05/2021 14:04 – A fraud was reported by a resident whereby they received a call on 04/05/2021 saying that they were owed £3770 in PPI payments, and that they had a cheque for the caller. The suspects phoned back on 05/05/2021, saying that a solicitor would come to their house that evening with the cheque, but they required a £100 pay safe voucher and proof of ID. The victim has contacted the Claims Advice Bureau independently who confirmed this is a scam. The victim did not suffer any monetary loss.

We received 27 reports of concern for safety of individuals in Eastfield area during May. These incidents invariably relate to people in distress. We work closely with the Street Triage Mental Health Team at Cross Lane who carry Police radios with them, we also have support from Mental Health professionals who work in our control room. This is sadly becoming an increasing trend but we always ensure the people receive the best help available at the time and refer them to other agencies. If necessary, they are referred into the weekly meeting we have with other agencies from around the Borough where we can discuss courses of action to provide best support.

The average time taken to answer 101 calls in May 2021 was 180 seconds.

During May we dealt with 649 incidents across the area as a whole, a breakdown of these follows (not inclusive of all incidents): -

- 13 injury/death RTCs.

Other News

Please note that in addition to the traditional 999 or 101 we can be contacted on our email address is snafiley@northyorkshire.pnn.police.uk. Please do not report incidents to this email, but if you would like to speak to a member of our team for advice then please use it.

If an incident of Anti-Social Behaviour occurs which you would like Police to deal with then please report this as soon as possible after the event to allow Officers the best chance to deal with the culprits. Please do not wait until next time you happen to bump into an Officer or Parish Councillor. It allows us to make connections with other incidents and deal with individuals for patterns of behaviour rather than incidents in isolation. It does not matter if no suspects have been seen or cannot be identified; we may have this reported on another nearby incident and be able to link them.

If you wish to look at crime statistics, along with stop-searches, news & events and other information for your area, then please visit www.police.uk. There is a multitude of information on this website.

Derwent & Hertford Rural Watch – June

Almost halfway through the year – I do not know where the time goes, do you?

Whilst I do not want to sound as if I am jumping on any bandwagon, there are some potentially serious issues as we start to come out of lockdown ... fears of – just about everything as we start to mix back into our areas after being away from “normal” for so long.

Living and working in isolation in isolated areas cannot have been easy for anyone; it has been difficult enough living in a satellite village on the outskirts of Town!

Just the sheer act of going outside regularly (for some) may be the scariest thing they have done in a long time; but help is out there and is readily available – all you have to do is pick up the phone ... but sometimes that isn't easy to do either!

Taking that first step is so important, no matter how scary it may feel to get help. The hardest thing to ever do is to admit that we need help, isn't it? But when we do take that first step, it shows that we can get on the road to feeling better. There is never a “quick fix”; it takes time to build confidence back again.

Here are the numbers to contact if you need help –

Tees, Esk & Wear Valleys (TEWV) Foundation Trust - 24/7 access to help on **0300 0200 317**

North Yorkshire Mental Health Helpline – **0333 0000 309**

NHS 111 – **111**

Samaritans – **0845 790 9090**

Scarborough Survivors Resource Centre – **01723 501049**

The Ellis Centre – **01723 355095**

Mind – **01723 379058**

Andy's Man Club – info@andysmanclub.co.uk

Child and Adolescent Mental Health Services – **01723 346000**

North Yorkshire County Council – **0800 051 6171**

Relate – **01325 461500**

Cruse Bereavement Care – **0808 808 1677**

The above are but a few organisations that are out there to help you ... so let us all take those tentative steps back toward whatever the new normal might be together.

Be kind to each other but more importantly be kind to yourself and be ready to admit to yourself that **“It's OK not to be OK”**.
