Which areas are covered from Filey and Eastfield Police Stations?

The areas in blue and yellow – covered from Eastfield Police station. Areas in green – covered from Filey Police Station.

There were 237 incidents reported in your area during June. Incidents of note are as follows: -

We need your help. During May and June in the areas covered from Eastfield and Filey Police Station, we have uncovered four substantial cannabis grows in relatively small properties. Approximately 1,000 plants worth hundreds of thousands of pounds have been seized. Two arrests have been made, one person has been sentenced to prison and another is on remand awaiting their next court date. All of these properties have been rented by people from outside of North Yorkshire and undoubtedly involve organised criminality. Landlords also often live out of the area so are unaware of the activities. We are asking you to be our eyes and ears within the community. Have you seen any properties which have been recently rented out and are now rarely occupied? Things to note include:-

- curtains always closed,
- lone people (usually males) attending the property and then not reappearing for days,
- extractor fans on and a smell of cannabis coming from the fan, this isn't always they case tough.
- alterations being made to a newly rented property without the knowledge of the landlord, these could involve plaster board and wood being taken in, large lighting units being taken in, compost, plant pots and fertiliser being taken in etc...

- Electrical works being carried out on the property.

Please don't assume if you live in a more affluent area that this won't be on your street, we have seen locally a very expensive house rented out and altered to take a cannabis grow. Don't hesitate to contact us, you won't look daft if you are wrong, contact us so we can assess the information.

If you see any of the above or are suspicious that a cannabis grow may be present in a neighbouring house, please email us at jamie.manson@northyorkshire.police.uk or report on the crime stoppers website here if you wish to remain anonymous [Giving information anonymously | Crimestoppers \(crimestoppers-uk.org\)](https://www.givinginformationanonymously.org/)

02/06/2024 09:52 – A large cannabis grow of approximately 200 plants was located at a property on The Leas in Eastfield. The electricity to the property had also been bypassed and modified. This matter is being investigated by CID.

05/06/2024 10:55 – A resident reports receiving a scam call from the HMRC. On the other end of the call was an automated message stating that criminal action was being taken against them and to press 1 to speak to an Officer. The resident pressed 1, waited for 3 minutes but no one answered. Thankfully no financial loss was suffered. This scam was doing the round more frequently a couple of years ago but seems to be on the increase again, the end result of the call is invariably that residents are asked to pay the money over the phone using their bank details to stave off arrest. On one occasion several years ago, a resident was so scared they turned up at Eastfield Police Station expecting us to arrest them. Unless you are expecting it and have reason to speak to them, don't engage with phone calls purporting to be from the HMRC.

08/06/2024 23:08 – Four front windows of a property on Kempley Drive were smashed by two unknown males. This matter is under investigation, please report any information and quote 12240101489.

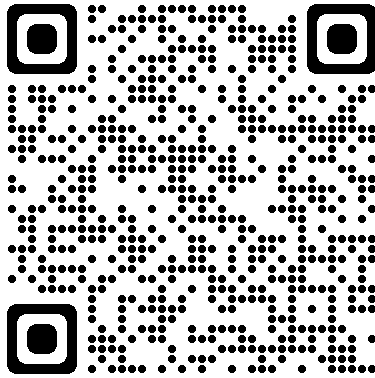

11/06/2024 11:21 – A sign at the front of St Georges School on Overdale was graffitied. A suspect has since been identified and will be dealt with in due course.
